Season: SPRING 2010

The author, Carlos Roncero introduces us to Trápaga, a police inspector who dreams of retirement while he is dealing with one of the most complicated cases of his career. He will try to help Beatriz, a mother, torn-up by the mysterious death of her teenage daughter, who is looking for answers in the Internet.

Clara dice: is an emotional novel, dealing with a hot topic in today's society and that shows us the darkest side that the Internet can have for teenagers using emails, chat rooms and social networks as basic tools to relate with the surrounding world.
