Season: AUTUMN 2012

Vincent is an upper class teenager used to doing whatever he likes. His father feels he has lost control of him and takes radical measures: he sends him to an exclusive camp, famous among the elite for its success in re-educating conflictive youths. Vincent soon has experience of the camp's methods when he made to spend hours locked in a room he scarcely fits in, making movement almost impossible. He gradually adapts to this sick world of cruel and extreme discipline.

But Vincent sees that no of this is, by far, the worst that can happen. He soon hears about some mysterious creatures, savage killers, who attack the camp. He and his companions are nothing more than simple cannon fodder.
