What Fede wants most in the world is to be a pirate, but he's got a long way to go before he becomes one. He'll have to fulfil certain requirements which he thinks are vital: bathing himself, not getting scared in bed, getting a parrot and, most importantly, losing a leg and swapping it for a wooden one. When a new kid joins his class, he'll understand that he doesn't need to lose a limb to be a brave pirate.
