AUTUMN

2012

Season: AUTUMN 2012

This book was conceived and produced for all the foreigners who want to study our outstanding historical and artistic heritage. In this new, revised and expanded edition, it offers an up to date synthesis of the history of Spanish art, aimed at foreign students of Spanish culture and at all those who are interested in learning about the art of a country that has produced some of the masterpieces of universal art. With plentiful illustrations, mostly in colour, and with both rigour and charm, the book gives an account of the most significant periods and artists, from prehistory to the present day. We invite you to learn and enjoy.
