Season: AUTUMN 2012

Grupo Gourmets, the pioneering gastronomical body and press guide to wines in Spain, invites us to enter the fascinating world of wine, wine cellars, specialist shops, wine growing regions etc, in the company of the Gourmet Guide, the veteran publication of the wine sector. In 2013 this will contain about 5000 wines tasted blind, with their characteristics and prices, 1125 wines tasted blind, with commentary and assessments, 1285 wineries with references and lists of their wines, 325 specialist shops, 120 wine growing regions, individual maps of all the Denominaciones de Origen, a colour map of Spain showing all the Denominaciones de Origen and a chapter on the wines of Eastern Europe. It will include ideas for setting up a cellar at home, how to make wine, terminology, etc.
