SPRING

2010

Season: SPRING 2010

Jerusalem. Nora has just lost her best friend; she has killed herself at the Jewish market. A few months later another terrorist attack, this time against a Palestinian child, will affect her closely. The pillars of her life collapse. One after another, several events take place that will make her take sides: in favour of hate or in favour of love. A fascinating novel that treats a topical subject with courage.
