ISBN: 978-84-93400897

Genre: Literature

SPRING

2013

Season: Year 2013

Bemol Pispante loves music. This is why the little mouse lives in a piano. All the other mice think Bemol is mad because he is putting them all in danger. The owner of the house is a great pianist who is practising a beautiful but difficult piece of music. Includes a CD-ROM with additional multimedia content.
