**Genre:** Literature

SPRING

2013

**Season:** Year 2013

We'll have no trouble recognising many corners of The Building. Those of fear and anxiety which paralyse us, those of obsessive impulses capable of destroying us, but also those of excitement for games or the discovery of strength inside us that we didn't know we had and which make us greater. David Monteagudo returns to his obsessions in this collection of very high voltage stories, in which the reader will feel suspended and will recognise her or himself.
