Ignacio AZCONA is a police inspector who receives a tip-off from an informer. Members of senior management in the police as well as several administration officials might be involved in a sordid prostitution ring based in Barcelona. Ignacio must carry out a secret investigation, away from the control of his bosses. As well as this a string of emotional issues appear, causing the man unbearable stress. Luckily, the unexpected help of a mysterious club of scientists will make his situation easier to bear. This novel blends police intrigue with the struggle of the protagonist to overcome his anxiety. The mixture of suspense, psychology and spirituality make this an original book which, as well as captivating the reader, provides valuable life lessons.
