ISBN: 978-84-7898-281-3

Genre: Literature

AUTUMN

2009

Season: AUTUMN 2009

This book is an anthology of short stories which link, in an extremely subtle way, the oniric dimension with the threatening aspects of real life, either in the present or in the future. Migration, politics and technological development are only some of the issues which, submerged into a powerful narrative, guarantee that readers will not remain indifferent.
