ISBN: 978-84-7898-263-9

Genre: Social Science and religion

AUTUMN

2009

Season: AUTUMN 2009

The essays collected in this book represent an approach to the always difficult relations between Spain and England, from the point of view of Cultural History: according to this perspective, there are many more "cosas de España" ("Spanish things") in England than viceversa – yet there are, and they are all "things" to be considered, in order to achieve a double-edged gaze and to understand both countries better.
