ISBN: 978-84-216-9007-9

Genre: Literature

SPRING

2014

Season: Year 2014

The Exploits of Puck offers a recreation of one of the most magical and imaginative of Shakespearean tales. It is pure joy, colour and, above all, dream. Puck, the mischievous, reckless sprite, tells the story to a boy called William who, with the passage of time, will become the most famous playwright of all time. The work remains faithful to the spirit in which it was written and retains each and every one of the characteristics which have earned the play its well-earned place in classical literature. The authors have constructed a story full of emotion which succeeds in transporting the ten-year-old reader into a fairy-tale world, with all its magic and fantasy. The poetic tone, the sweetness of the narrative and tenderness of the characters are also notable. The enthusiasm and curiosity they exude make this a fluid, lively read.
