Patricia is a young, up-and-coming catwalk model. During a flight to a job, she gets to know Viviana, the woman in the adjoining seat, who warns her to be careful as someone around her wants her dead. Sceptical and not the least superstitious, when Patricia returns to her happy home she decides to forget the unfounded warning, until a series of accidents, which affect her work and private life, prompt her to seek out Viviana to find an explanation to the events.
