SPRING

2015

Season: Year 2015

A novel about the abnormality of daily life of a group of friends who try to live and love as if everything were normal. Lluís Calvo writes an unusual love story that seeks a singular epic genre and hides in the corners of each and any of us. But it is not just about that, it is also about surviving change, darkness, fashionable bars and obsessions. In the end, it is about surviving daily life.
