"La amante imperfecta, a mixture of noir literature, love story and contemporary social critique, enthralls readers with its words, its brilliant descriptions, the texture of its characters, their lies, longings and ambitions. When you read that someone is capable of robbing a boy of his liver, you'll want to turn back, re-read the first pages, stay in the love story, so sublime, tricky and sensual, but you can't hide because you need to know more. Entertaining, intriguing, wise, different, elegant, read La amante imperfecta, fall in love, as I did, with that imperfect lover we all dream of". (Antonio Hernández, Movie Director)
