In this fast-paced thriller set in the world of wine, an investigation about some murders related to the world of wine falls into the hands of a police officer. A meeting with an informer will start her off in a race she must win without knowing who her opponents are. A Russian mafioso, a furtive archaeologist, the archivist at Barcelona Cathedral, an enigmatic blonde, an ex-Nazi official, a hired killer with kind eyes and a libertine wine expert cross her path with a single objective: to discover the secret hidden in 100-year-old bottle of wine. It is a story of intense feelings, action, violence, dark humour, history and a passion for wine, in which all the characters are as wicked as they are human. A novel to get drunk on.
