In the Kingdom of Murnania, dogs are prohibited. But when the King and Queen of Lavonia arrive for a visit with their refined little poodle, they need a male dog to receive her. But there's only one enormous, flea-bitten Saint Bernard left in the kingdom! He's got so many fleas that there's a whole circus in his coat, the only Flea Circus in the world! There's bound to be trouble... and you have to save the Flea Circus from disaster... How? You've got the answer inside you... Go on! Read, play and have a great time!
