Pages: 48

ISBN: 978-84-95225-92-4

Genre: Literature

AUTUMN

2010

Season: AUTUMN 2010

Manuel and his classmates have been selected to take part in the “Green Olympics”, organised in aid of sustainability and respect for the environment. This great sporting event will take them from Australia to the Basque Country, home of the games, where they will have new adventures and meet up with old friends again. Those days will be unforgettable, and they will learn that winning isn’t always the most important thing.
