Genre: Literature

SPRING

2016

Season: Year 2016

On her way home from school, Candela passes the house with the creeper. Afraid, she's always kept her distance from it, and speeds up her pace, but today a disturbing detail attracts her attention: the glass door of the balcony on the first floor is half-open. And if that isn't enough, she also thinks she hears a sigh. Is there someone in the house? An intriguing story full of enigmas.
