Ta-raa. We'd like to introduce you to Agus Pianola, a very careless, slightly cheeky boy who is really very nice. He knows he should tidy his bedroom, but he always waits for his mother to remind him to do it because there's never a good moment to begin. And obviously, a lot of things get lost in an untidy room; like balls, video games and homework. But also a lot of things get found... What would you do if one fine day you woke up to find your bedroom full of monsters? Agus and his friends can't even go on a trip without something happening! In this adventure, the treacherous Dr Brot and his assistant Nap cause a war between the fairies and the elves of Verduria, all for of a gold coin from the year dot! Let's see if he can show that besides being an ace at making holes, he's also a great hero!
