Spanish Retail price: 7.90€

Genre: Literature

SPRING

2016

Season: Year 2016

Martin was an expert at losing things. His mother and grandmother were used to it, and took the whole thing with patience and a sense of humour: "You'll have to sew things to your hands!" Martin didn't worry about it much... until the day he lost his most beloved object: the album of family photographs, the only visual memory he has of his father. He had to find it, come what may. But where do lost things go to?
