

Mi Hijo Aprende Jugando

My Child Learns By Playing

Author: [Marc Giner](#) [1]

Publisher: [Larousse Editorial, S.L.](#) [2]

Year of Publication: 2010

Pages: 120

ISBN: 978-84-8016-694-2

Genre: Sports and practical book

AUTUMN

2010

Season: AUTUMN 2010

This book responds in an approachable way to questions such as:

- What toys can we use to stimulate our child?
- How should we choose toys?
- Is it normal for a child to confuse fantasy and reality?
- What are the advantages and disadvantages of videogames?

This work demonstrates that everything that we do with our babies and children can be considered as stimulation, playing and learning.
