SPRING

2017

Season: Year 2017

1924. Years after the acclaimed Universal Animalarium of Professor Revillod, the professor has returned to present his latest work. The objective of the Revillod Institute is to collaborate with animal evolution and ensure that the world's fauna stands on its feet. To demonstrate, he has created a show, the Revillorama, which is on stage at Evolution Palace, the current headquarters of the Institute.
