Vicente Friman is the new kid. It's happened before, so he's not too worried. But this time is different. This time there's Barbara, the leader of the Protectors. Or so she thinks. And there's also the Apaches, a band of teenagers who are terrorizing the neighbourhood. They all want something from Vicente, but he doesn't quite know what. And he's getting sick of it. It's time to show them who Vicente Friman really is. Winner of the Barco de Vapor Prize 2016.
