2017

Season: Year 2017

This novel is the revelation of the year and has been a success on social media, charming its readership. The story is based on real events narrated by guide dog Cross about friendship, love and overcoming problems. Cross is a happy and mischievous dog, and Mario is his blind young companion who is trying to make his way in life. Together they form an inseparable team. Through My Little Eyes is the fun story of the adventures Cross has in the world of humans. Ortiz tells us all about a reality he knows well, as he has his own guide dog called Spock, who is almost as mischievous as Cross.
