ISBN: 9788495923431

Genre: Children and Youth

SPRING

2018

Season: Year 2018

In a place in the universe called Crystal Earth there was a race who talked to the stars. The old people would teach the children from a young age to communicate with the stars, not using words, but with their minds. Crisol was nervous, because that night he was going to celebrate his birthday, and after that he would choose his star. A story about self confidence and self respect.
