A compilation of questions and answers in the child collection, Superquestioners has sold over 100,000 copies in Spain. Those who know what they are talking about say that you shouldn't go to sleep without asking yourself at least one question in the quest to learn a little more. To assist the whole world in this interesting task, Superquestioners offers one question for each day of the year, with its corresponding answer, plus extra information to generate further questions and so on ad infinitum. This large book, so XXL, hopes to bring both adults and children together, turning pages, commenting, enjoying the drawings and, most importantly, having their curiosity awakened: which is the basis of understanding. It includes such topics as space and the universe, geography and the climate of our planet, flora and fauna, dinosaurs, prehistory...
