'Marcelina en la cocina' ('Marcelina in the Kitchen') is a rhyming book which your little ones will love. Marcelina has lots of talents, but cooking isn't one of them. Marcelina the giraffe, who has no idea how to cook, wants to make a special dinner for her niece to enjoy. You can imagine the mess she'll make of it! Her friends give her loads of different advice and the dinner becomes a crazy party. Lovely Marcelina! Such a disaster in the kitchen! What on earth are you going to do? And what are you going to feed us, too?
