Three-eyed Frog is growing up in a contaminated place, the water where he lives is very dirty. But why? He will have to jump very high to understand what's happening and discover the reasons for the damage to his habitat. Soon Three-eyed Frog will decide that he wants to change things and, with the support of his grandma, will look for friends to help him take on the challenge of changing things and improving their surroundings. A story to inspire us to search for shared solutions.
