SPRING

2018

Season: Year 2018

Marcela and Oscar live a typical middle class life in the centre of Sa?o Paulo: they have just had their flat re-floored, they go to residents' meetings and they spend their evenings in front of the television. But this anodyne existence is disrupted when Nelson arrives at the building. He's an mysterious character they both knew as teenagers from the surfing beaches at Santos in the eighties, and Marcela once ran away with him.
