SPRING

2018

Season: Year 2018

Ángela, an attractive and successful journalist who never seems to fit in anywhere; Eva, a rebellious teenager who pushes her parents to the limits of their patience; and a young married couple whose idyllic existence comes to an end after the birth of their longed-for daughter. The lives of these characters become intertwined under the evil influence of a single tragedy. Why is it that they have much more in common than anyone would have imagined?
