Genre: Literature

SPRING

2020

Season: Year 2020

"Wave of Cold" is not a novel about drugs and alcohol nor the descent into the hell of addiction. Nor is it a novel about the economic crisis, nor how this has changed the face of Madrid forever. It is not a story about individual or collective failure. No, it is simply a devastating portrait of loneliness and desperation. It is not a study of raw sexuality. It is certainly not a moral story, it has no message nor moral.
