Genre: Children and Youth

SPRING

2020

Season: Year 2020

Sometimes mum says things that her little one understands differently to her: for mum, it's not ok to have a messy room, nor stay too long in the water, nor go around barefoot! The central character however, sees these situations oh so differently: for him these are little adventures full of excitement. At the end of the day, though, mum always manages to say something they both understand in the same way, something as beautiful and immense as the full Moon.
