BEING A HERO WAS JUST TOO BORING. My name is Yeray Ayala and I have a secret. This book you have in your hands contains my story, the story of other misfits, and the key that unites us all: we have powers. Yes, I know, you're going to think this is fiction. Everybody does. As soon as I discovered that I could disappear and reappear wherever I wanted, I told myself that it was impossible too. Then, I told myself I was special. That made me take advantage of my powers, of course, and use them for things that weren't very legal... But let's not talk about that. The important thing is that, when I was captured by an organisation dedicated to catching people like me, I discovered that I was far from being an isolated case. CIRCE is that organisation. Its mission? To recondition those of us who use our powers for evil. To become heroes. But who wants to be a hero when they could be an anti-hero?
