Season: Year 2020

From a seemingly simple encounter at sea comes the inner conflict of each of the characters. Shame, fears, rejection... There is only one thing to do to resolve it: go down into the depths, look for hidden treasures, open our eyes wide and look closely. Perhaps in this way we will discover what we are capable of, how wonderful life is, and what really matters. An intimate and moving story with many readings, which will transport children and adults to face their inner conflicts with love and trust.
