SPRING

2020

Season: Year 2020

Here begins the prohibited place where the white tiger reigns. This story is from many years ago. So many that nobody talks about it anymore. Those who still remember say it was just one legend of many that grew out of the depths of the jungle. But they are wrong. It was no legend. One day, fate decided that my sister Duna would cross paths with the white tiger, and together they would find their place.
