'Little Red Riding Hood' is that treasured tale told in another way and presented in a different format. Based on the works by Charles Perrault and the Brothers Grimm, we offer a beautiful new illustrated version of the historic classic written by the artist Lola Moral. A folding illustrated work that tells us the story of Little Red Riding Hood on one side and introduces us to the characters and the village and shares quirky details and anecdotes and even grandma's pie recipe on the other. Let Sergio García's illustrations transport you to another time when magic existed and dreams came true. Whatever your age, you will be intoxicated by this story.

'In addition to providing a detailed illustration of the text, the pictures are, in themselves, curiously narrative. They can almost be read like a comic strip.' El Ajillo
