Radio Pizza is the radio programme on which Daniel King and Miki talk about what they like the most: fantasy stories, monsters, videogames and pizza. One day they get a call from Vera, who lives in a neighbouring village and who needs their help. Something is attacking the girls and boys of the village and she needs the experts from Radio Pizza to fight the supernatural creatures. But they soon discover that the threat is bigger than they think, and with Vera they must investigate and find out who is invoking them.
