ISBN: 9788478988167
Genre: Children and Youth
SPRING
2020
Season: Year 2020

We've all fantasised about visiting the asteroid B-612. We know the Little Prince was bitten by the snake and that he left for ever. But did he really die? Sadly, we have never known until now how the pilot could have grown old in his absence. What wouldn't he give to meet him again? Could he accept his leaving? Did he find the way to his Rose? Now, for the 75th anniversary of the original story, the Pilot continues his narration to show us how post-war Paris was left desolated. Against the silhouette of Notre Dame and the smouldering ashes of the bombsites, we come back to the most difficult question: Who am I? And this means we have to answer another question: What does the Little Prince mean to us?
