This thrilling fantasy novel for teens is the literary debut of Patricia García, the well known booktuber "Little red read". Shut away in her castle, the young Eleaine hides the secret of her extraordinary power, a power that must be contained or else it might destroy the whole kingdom. However, when a war breaks out, a web of deceit puts her family in danger and Elaine might lose control at any moment. This fantasy novel aimed at young adults is in the same vein as "Frozen" and "Shadow and Bone", full of plot-twists, action and adventure.
