SPRING

2020

Season: Year 2020

The Incredible Story of the Cat Moon is the beautiful story, based on a Spanish fable and folk song, which tells of the love between the Sun and the Moon, between Lorenzo and Catalina. A love that is sustained in the calendar thanks to a cat with only one paw who makes a deal with The Moon through a lizard. A story in verse, which glows in the dark - because its cover is fluorescent.
