Dare to be different like the little black sheep! Every night, when the moon rises and it's time for the children to go to bed, Mr. Dream brings the sheep together to help the children to sleep, because everyone knows that the best way to fall asleep is... counting sheep! But tonight will not be like the rest - one small and happy black sheep, different from all the others, has her own ideas about what is the best way to go to sleep and, above all, to dream.
