We are Maite, Santi, Pepe, Valle and Sol, well, Sol is Valle's dog, but still one of the gang. We live in the village of Verdelluz and in school we're part of the Nature Class, where we look after the environment. One day we found a dead white tailed kite and decided to investigate what had happened. What we discovered lead us to form the Kite Tail Gang. Since then we've been meeting at the old oak tree. We solve mysteries and are the true guardians of the mountains, river and plains of Verdelluz. Faced with the climate emergency, it's not too late, we still have time. 'A healthy planet depends on all of us' (United Nations Environment Programme). #climate emergency
