Andrés is fifteen and has just lost his father, Fernando. A respected police inspector, Fernando was found dead of a barbiturate overdose in the swimming pool of the Birmania Hotel, which suggests the possibility of suicide. But something doesn't add up: Fernando was optimistic and happy - why would he want to take his own life? His son chances upon a mysterious folder on his dad's old computer. From that moment on things make a U-turn and Andrés will have to confront a shady and dangerous world where anything is possible.
