Would you like to model a dinosaur for breakfast time? Create a cute little lamp with eyes and a tiny nose? Or bring Domingo, the bingo-loving mouse, to life? You can create anything using just a bit of clay and your imagination.

'Lusesita's Pottery Workshop' invites the young (and the not so young) to take their first steps into the world of pottery. Seventeen fun, imaginative and colourful projects will introduce you to basic techniques such as pinching, working with slabs and firing the clay and will challenge your creativity and ability to concentrate like never before. Discover the amazing world of pottery with the incredible Lusesita!
