ISBN: 9788493703103

Genre: Literature

SPRING

2011

Season: SPRING 2011

Marcopola, before it was called Marcopola, was an isolated little island in the middle of the ocean. It used to get very bored until, one day when it woke up, it found an oar on its beach.

It was then that the adventures of the first rowing island began. Voyaging here and there, it will make new friends, encounter new dangers and gain a name: Marcopola!
