This spectacular ABC of jobs begins with A for architect and runs to Z for zapatero (shoemaker in Spanish) passing through C for Chef, D for Doctor and E for engineer (or I for Ingeniera in Spanish!). Each job is explained in a fun poem and accompanied by an illustration that shows off that job with tenderness, rigour and humour: "So happy, happy, that's what I wanna do! Whether a shoemaker, astronomer, vet or a sculptor!"
