Genre: Children and Youth

SPRING

2021

Season: Year 2021

Ramon Besora has travelled a long way to arrive at this tender, luminous poetry collection, the result of his long love affair with words and the poetic games that they can play. Red Labyrinth is an exquisite collection of poems that is distilled from a small set of carefully chosen words and verses, life and its many subtleties: sound, perfume, colours of the seasons, play, onomatopoeia, the use of metaphor and the serendipitous grace of art.
