The Minidead are kids, but they are very different from you: they are kids from beyond the grave. They are waiting for their parents in "The Other Neighbourhood", a staging post where they can do whatever they like. All this changes though when Catacrak arrives - he wants to return to the land of the living. The Minidead will need to work hard to help him. Will their crazy plans be enough to bring Catacrak back to life? This is the first in a new series by Leticia Costas, winner of the National Prize for Children's and Young Adult Literature and author of "Escarlatina" (Scarlet Fever).
