**Genre:** Children and Youth

SPRING

2021

**Season:** Year 2021

Ways of living starts gently and evolves into a fast-paced, modern thriller that takes your breath away as it unfolds. But it's also a novel within a novel, where the line blurs between fiction and reality. It all begins when a writer meets the guitarist and lead singer of a rock band he admired in his youth and decides to interview him to discover his story. There are many emotions at play, spanning all ages and walks of life. And through it all runs an unconditional love for music, which drives all the characters, even in the most dangerous situations.
